

Delden, 10/6 '42

Dear Mien!

On the occasion of your 26th birthday, I would like to send you a card and congratulate you.

You know I can't wish you anything but the best, I want to do that and I hope a happy second quarter of a century lies ahead of you.

Finally, you receive the sincere greetings from your boyfriend and from my girl.

Bye, bye

Your affectionate friend

*John*
